

symplr® Healthcare Operations Summit

In Partnership with Becker's Healthcare

Everyone's talking about AI in healthcare. This is where it meets reality. The symplr Healthcare Operations Summit brings together a closed-door group of senior health system leaders for a half-day of candid, peer-level conversation on the operational challenges AI alone won't solve and the ones it can.

APRIL 13th, 2026 | 7:30AM-1:00 PM CT
HYATT REGENCY, CHICAGO, IL
